CUSTOM-BRANDED SCHOOL UNIFORMS

BOYS • GIRLS • SPORTS • WINTER WEAR • ACCESSORIES

Every uniform tells a school's story.

Most schools inherit their uniform supplier the same way they inherit their photocopier contract — whoever was there first stays by default, and the uniform ends up looking like everyone else's.

UniformEdge was built around a simpler idea: a school's uniform should look like it belongs to that school. That means matching your crest thread-for-thread, matching your colours to the actual palette in your branding guide, and staying with your school year after year instead of forcing a new vendor search every time something needs reordering.

We work directly with school administrators from the first colour swatch to the last reorder, so the uniform program becomes one less thing to manage — not one more.

Crest-accurate embroidery

Your crest, digitised and stitched to match — not approximated.

Exact colour matching

Fabric matched to your official palette before production starts.

Standing reorder program

One relationship, managed year to year — not a new search each term.

Off-the-rack vs. custom-branded.

The difference isn't cosmetic — it shows up in every reorder, every parent complaint, and every year the uniform needs revisiting.

Off-the-rack

- Generic or no crest
- Closest available colour shade
- Standard size chart only
- Re-search a vendor each reorder

Custom-branded

- Embroidered to your exact design
- Matched to your official palette
- Adjusted to your student population
- Standing program, same supplier

Colour mismatch and inconsistent fit are the two most common complaints schools raise about their uniform vendor. Both are solved before production starts — not after delivery.

Boys’ uniform

Shirt

- Half & full sleeve
- Poly-cotton or pure cotton
- Reinforced collar & cuffs

Trousers

- Adjustable waistband
- Durable, wrinkle-resistant fabric
- Reinforced knee stitching

Shorts

- Junior sizing available
- Elastic + drawstring waist
- Machine washable

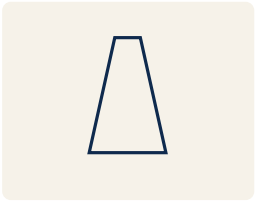

All items available with school crest embroidery and colour-matched piping. Fabric options detailed on page 10.

Girls’ uniform

Shirt / blouse

- Half & full sleeve
- Soft-touch poly-cotton
- Reinforced buttons

Skirt / pinafore

- Box-pleat or A-line
- Adjustable waistband
- Colour-matched to blazer

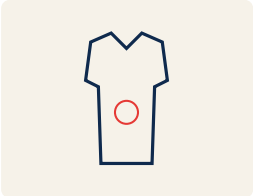

Salwar-kameez set

- Regional uniform option
- Dupatta colour-matched
- Breathable cotton blend

Fit consultations available for schools that want a size range wider than the standard chart on page 12.

Blazers & winter wear

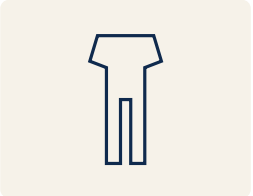

Blazer

- Embroidered crest on pocket
- Piping in house colours
- Half-lined for comfort

Sweater / pullover

- V-neck with house stripe
- Acrylic-wool blend
- Machine washable

Cardigan

- Button-front, crest on chest
- Layerable over shirt
- Colour-matched to blazer

Winter-wear volumes are seasonal — schools on a standing program get priority production ahead of peak season.

Sports & PE kit

House T-shirt

- Moisture-wicking fabric
- House colour options
- Printed or embroidered crest

Track pants

- Side stripe in house colour
- Elastic waist with drawstring
- Breathable poly blend

Sports shorts

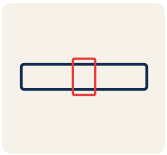

- Lightweight, quick-dry
- Reinforced seams
- House colour trims

House-colour variants are produced as a single batch per house to keep colour consistent across the full squad.

Built to survive a school year.

A uniform gets washed weekly and worn hard. Fabric choice and finishing are where most cheaper vendors cut corners — we don't.

Pure cotton

Breathable, soft against skin. Best for warm-climate daily wear; shirts and summer sets.

Poly-cotton blend

Wrinkle-resistant and faster-drying. Holds shape and colour through frequent washing.

Terry cotton

Heavier weight for trousers and skirts — better structure, less see-through in light colours.

Quality checks before delivery

- Colourfastness testing — colour holds through repeated washing
- Shrink-control testing before bulk cutting begins
- Reinforced stitching at stress points — collars, cuffs, knees, seat
- Colour-match verification against your official swatch before production

From crest to garment, in four steps.

1

Share your crest & colours

Send your existing logo, letterhead, or brand guide — or describe the identity you want built from scratch.

2

We digitise & colour-match

Your crest is converted into an embroidery-ready file and fabric is matched to your exact palette.

3

Sample approval

Physical samples are sent for sign-off before anything goes into bulk production.

4

Bulk production & embroidery

Approved samples become the production standard for every piece in the run.

Size guide

Sample chart shown below — the final chart is calibrated to your school's actual student measurements during onboarding.

SIZE	APPROX. AGE	CHEST (IN)	HEIGHT (CM)
XS	4–5 yrs	24–25	100–110
S	6–7 yrs	26–27	111–122
M	8–9 yrs	28–29	123–134
L	10–11 yrs	30–31	135–146
XL	12–13 yrs	32–34	147–158
XXL	14–15 yrs	35–37	159–168
Adult S/M	16+ yrs	38–40	169+

For schools with a wide size spread, we run an on-site measurement drive so every student is fitted before the first bulk order is cut.

How ordering works

1. **Consultation**
   We learn your school's identity, size spread, and current uniform pain points.

2. **Design & colour match**
   Crest digitisation and fabric colour-matching against your official palette.

3. **Sampling**
   Physical samples sent for approval before bulk cutting begins.

4. **Measurement drive**
   On-site or self-service sizing so every student gets the right fit.

5. **Production & delivery**
   Bulk production against the approved sample, delivered ahead of term start.

6. **Reorder portal**
   Parents reorder directly through a standing portal — no re-sourcing each year.
